FOR YOUR PRECIOUS MOMENTS IN LIFE

MIRUM
HEARING AIDS

Technology that Works for You

We know you don't want to miss any precious moments in life. Audina's Audio Efficiency™ technology will work for you to ensure that you find the right balance between speech understanding and listening comfort in a wide range of everyday situations. There are also many accessories available to support your priorities in life.

Mirum stands out for all the right reasons. With unmatched features and accessories in its class, let Mirum shine for you.

Impressive Sound Quality and Comfort

State-of-the-art technology is brilliantly designed to enhance life's precious moments.

ChannelFree™

Audina's proven signal processing system provides you with a distinctively clear and natural sound quality. It is a unique gem among the industry.

Noise Reduction Systems

Background noise, rustling newspaper or the clatter of silverware does not need to be such a threat to your comfort. Neither does feedback. With feedback cancellers and noise reduction features, Mirum provides a much more comfortable and less tiring hearing experience.

Live Music & Cinema Programs

The rich sound quality of the cinema or a live concert contributes to the overall experience. Audina's Live Music and Cinema Programs featured in Mirum cater to the unique characteristics and wide dynamic range of these sound situations. Experience the cinema and live music in all its fullness.

Enjoy Your Freedom

Audina provides everything you need to help you understand speech better in challenging listening environments. Accessories can also make wearing a hearing aid easier and more comfortable than you might think.

-  The SoundGate Mic is a light and tiny device worn by the person with whom you are speaking. Sound is directly transferred to your hearing aids via the SoundGate 3.
-  The RC-N remote control allows you to discreetly adjust the volume or change programs
-  Connect a range of Bluetooth® audio devices via the SoundGate 3, and control them with the SoundGate App* right on your iPhone®

Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.

* SoundGate App supports iPhone 6 Plus, iPhone 6, iPhone 5s, iPhone 5c, iPhone 5, iPhone 4s, and iPhone 4. The SoundGate App requires Audina's SoundGate 3 and wireless hearing aids.
